

Recessed Canless LED Lights

Application

These 4 inch, 5 inch, 7 inch, and 9 inch canless recessed LED lights give commercial installers maximum flexibility for retrofit and new construction projects alike. With three selectable wattages and five selectable color temperatures in each fixture, you can fine-tune brightness and tone on-site while reducing inventory complexity. The slim, canless design installs cleanly in tight spaces, and the 90 CRI output delivers high-quality, accurate light—making these a reliable choice for offices, retail, hospitality, and multi-unit applications.

Product Features and Specifications

- 5 Selectable color temperatures (2700K, 3000K, 3500K, 4000K, 5000K)
- LED rated lifespan of 50,000 hours.
- 0-10V Dimming
