

LED Strip Lights

Application

These LED strip lights are a smart choice for commercial installers who need versatility and consistent performance across multiple spaces. With three selectable wattages and three color temperature options (3500K, 4000K, 5000K), you can fine-tune light levels on-site while keeping inventory simple. They deliver a 50,000-hour lifespan, 0–10V dimming, and high energy efficiency—making them ideal for offices, retail, and utility areas where clean, reliable lighting matters.
