

# UFO High Bay LED Lights

## Application

These 12 inch and 14 inch UFO LED high bay lights are built for fast, reliable installs in warehouses, gyms, and industrial spaces. With three selectable wattages and three color temperatures in each fixture, installers can fine-tune output on-site while reducing and simplifying inventory. The compact UFO design delivers powerful, uniform illumination with high energy efficiency, making these fixtures a dependable upgrade from traditional HID systems, with long-term performance and lower operating costs.
