

LED Wrap Lights

Application

These 2' and 4' LED wrap lights are built for installers who want flexibility, speed, and reliability on the job. With three selectable wattages and three color temperatures in each fixture, you can simplify inventory while still dialing in the right output for offices, stairwells, storage areas, and commercial retail spaces. The wraparound design delivers flicker-free, even light with minimal glare.

Product Features and Specifications

- 3 Selectable Wattages
- 3 Selectable Color Temperatures
- Long 50,000hr LED Rated Life
- High Efficacy 125 Lumen/Per Watt
- 0-10V Dimmer Compatible
